SPARKY **Surviving Sex Magick**

Juliette M Engel

Sparky's story shines the spotlight on crimes against American children that were sanctioned on a national scale by the United States government. At the age of six in 1955, she was sold by her parents to the Sex Magick cult run by the CIA under its illegal program of secret experimentation on mind control called Monarch. By the time she was ten, she'd been purposely split into multiple identities, each one associated with a different age and place as her family moved around the country to avoid Child Protective Services and the police. With each new identity, she forgot the last one. In California, inside a tough neighborhood of gangs and brothels abutting the Tijuana Sewer and the Mexican border, she discovered her own courage in the determined persona of a new character, Sparky MacGregor. At the age of seventeen, she escaped from a camp in Big Sur, and left childhood behind. She became a physician, raised a family and moved to Moscow where she founded and ran an underground railroad for child sex trafficking victims from the former USSR. Years later, she returned to Imperial Beach to speak at a conference on border security. The memory of her lost childhood suddenly returned.

Alien Abductions **The Control Factor**

James Bouck, Robert Long

Imagine getting into your car and driving to a place you know. But for some reason, you end up at an unintended location. You see something unusual. Then you forget all about it. An hour or so passes. And now you don't remember any of it. There's a control factor in abduction cases that allows aliens to abduct any human from any location in the world without human permission or knowledge - for purposes unknown. Then victims are returned to Earth without memory of the experience. Discover what science is learning about the alien presence and the way they manipulate space and time. Learn the facts about implants, mind control, memory, and why aliens are here. Find out why some can see UFOs and some can't, what a typical abduction scenario is like, and what you can do to prevent being taken. Foreword by Kathleen Marden, UFO investigator and niece of Betty and Barney Hill, the first recorded abductees.

Cryptozoology

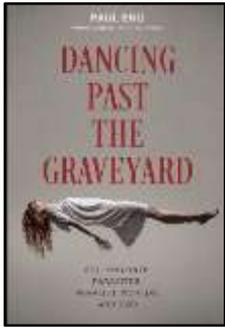

Making of Hominology

Dmitri Bayanov Edited by Christopher L. Murphy

The Making of Hominology is a detailed work aimed at moving the study of relict hominoids from the fringes of science to a fully recognized scientific discipline—The Science of Hominology. The main author, Dmitri Bayanov (born 1932), worked directly with Professor Boris Porshnev and other early Russian scientists investigating the possible existence of Relict Hominoids. Bayanov's long journey began in the early 1960s and has continued until this day. This book covers the subject from the dawn of written communications in Europe and Asia, and then in North America. Dmitri Bayanov coined the term Hominology and from the outset has sought to convince the general scientific community that there is enough evidence to support his recommendation. His arguments reflect his significant understanding of the subject and depth of his studies. What he presents is truly convincing. From a scientific standpoint, this book is the most important work on Hominology ever written. It is both fascinating and highly educational with a special illustrated section on what we know about North America's hominoid—the sasquatch or bigfoot.

Ghosts & The Paranormal

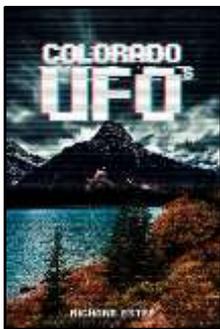

Dancing Past the Graveyard **Poltergeists, Parasites, Parallel Worlds, and God**

Paul Eno

Join Paul Eno, cohost of the popular radio show Behind the Paranormal, as he examines his most controversial cases. From battles with demons to people trapped in parallel worlds, get ready to have your existence rocked as you learn about multiverse, ghosts from elsewhere, and "neighbours" who don't yet have names. Eno, one of the world's first and most experienced supernatural adventurers, puts forth theories that are shaking the paranormal world to its core. What do these cases say about our understanding of God and our own place in the universe? Do we really understand who (or what) we are? You will never look at your existence the same way again.

Ufos & Aliens

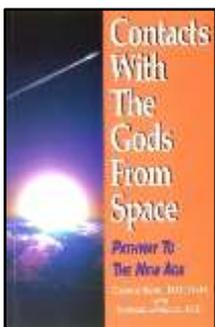

Colorado UFOs

Richard Estep

Keep your eyes on the skies over Colorado as you embark on a whirlwind tour of contemporary UFO phenomena occurring in eleven locations throughout the state. From the Rocky Mountains to the Denver International Airport to a lonely and isolated UFO Watchtower in the San Luis Valley, join paranormal investigator Richard Estep and other leaders in the field of Colorado Ufology to uncover some of the state's most harrowing stories. Are we alone in the universe, or is there something more to these stories from the Centennial State?

About the Author: Richard Estep is a paramedic and paranormal investigator who has authored several books and whose work has been filmed for the TV series Haunted Case Files.

Contacts with the Gods From Space **Pathway to the New Age**

George King, Richard Lawrence

Among the myriad claims of contacts with UFO's during the latter half of the twentieth century, one man stands out: Dr. George King. For over 40 years he was in regular communication with extra-terrestrial Intelligences. This new edition of the last book Dr. King was to publish in his lifetime gives a comprehensive account of the hundreds of contacts he experienced as Primary Terrestrial Mental Channel. There has never been a story as challenging or as important as this - because it is true! Dr. King explains the major aspects of his extraordinary life's work. At times fantastic, yet always cogently argued, this book gives the stamp of credibility to the most exciting field of human enquiry today. This book will give you the key to a new way of life. Whether you are prompted by a mild curiosity or a burning desire for Truth, this is the book which answers, once and for all, why UFO's are here, what their message is and how we can all cooperate with the Gods from Space!

About the Author: Dr. George King was one of the greatest spiritual masters of the 20th century. His remarkably down-to-earth explanations of spiritual concepts are the hallmark of the enlightened Adept. Richard Lawrence has been a psychic and spiritual teacher for over 35 years. Well known as a writer and broadcaster, he was a columnist for The Observer and is the award-winning bestselling author of a dozen books translated into nine languages.

The Pagan Heart of the West Embodying Ancient Beliefs and Practices from Antiquity to the Present: Vol. I -- Deities and Kindred Beings

Randy P. Conner

The Pagan Heart of the West challenges current academic notions that paganism died when Christianization occurred; that the transition from paganism to Christianity was a fairly easy, nonviolent one; that persons once pagan were happy to accept the new religion because it fulfilled them or because they viewed it as superior – as if the Inquisition never happened; and that all things pagan are in fact Christian prior to the mid-twentieth century, even though they demonstrate little or no connection to the Christian New Testament. Likewise, Pagan Heart challenges narrow conceptions of "the West." Applying Indigenous and decolonial theories, together with Michel Foucault's conception of subjugated knowledges, Pagan Heart suggests that instead, paganism should be explored as an ancient and indigenous set of common beliefs and practices, at once ubiquitous and local, that includes the reverence of deities; the veneration of nature; rites celebrating the seasons and the life cycle; practices of healing, divination, and magic, often guided by ritual specialists; and arts and philosophies giving expression to pagan figures, concepts, and narratives. In this first of five volumes, Pagan Heart focuses on the utilization of theories that contest absolutist language supporting the so-called death of paganism; and on the worship and veneration of ancient deities and kindred beings. Like the other volumes, this volume demonstrates that paganism has not only persisted over the course of millennia, but that it has also undergone metamorphosis and innovation. Most importantly, Pagan Heart emphasizes that the ancient gods did not die when Christian authorities forbade their worship and sought, in N. Scott Momaday's terms, to commit deicide, but instead that they continue to exist and thrive.

About the Author: Randy P. Conner, Ph.D., is the author of several works on the intersection of gender, sexuality, mythology, and the sacred. He teaches Humanities, including World Mythology, in the Chicago area.

Pagan Heart of the West Embodying Ancient Beliefs and Practices from Antiquity to the Present Vol. II Nature and Rites

Randy P. Conner

In this second volume, Pagan Heart focuses on the veneration of nature -- flora, fauna, elements, celestial bodies -- and on rituals of the seasons, life cycle, healing, divination, and magic. Like the other volumes, this volume demonstrates that paganism has not only persisted over the course of millennia, but that it has also undergone metamorphosis and innovation. Most importantly, Pagan Heart emphasizes that the ancient gods did not die when Christian authorities forbade their worship and sought, in N. Scott Momaday's terms, to commit deicide, but instead that they continue to exist and thrive. Israel Regardie

A Garden of Pomegranates An Outline of the Qabalah

Israel Regardie

WHAT IS THE TREE OF LIFE? It is the ground plan of the Qabalistic system a set of symbols used since ancient times to study the Universe. The Tree of Life is a geometric arrangement of ten sephiroth, or spheres, each of which is associated with a different archetypal idea, and 22 paths which connect the spheres. This system of primal correspondences has been found the most efficient plan ever devised to classify and organise the characteristics of the self. Israel Regardie has written one of the best and most lucid introductions to the Qabalah. This book combines Regardie's own studies with his notes on the works of Aleister Crowley, A. E. Waite, Eliphas Levi and D.H. Lawrence. The many diagrams and tables of definitions and correspondences are designed to simplify the student's grasp of the complex system and provide a guide to its symbolism. No longer is the wisdom of the Qabalah to be held secret! The needs of today place the burden of growth upon each and every person each has to undertake the Path as his or her own responsibility, but every help is given in the most ancient and yet most modern teaching here to humankind.

About the Author: Israel Regardie (1907-1985) was an Adept of the Golden Dawn and he was one of the greatest exponents of the Western Esoteric Tradition of the 20th century. He was also an initiate of Aleister Crowley's Order of the A. A., and he was a IXth degree initiate of Crowley's O.T.O. It was his aim to preserve the teachings and work of the Golden Dawn and Aleister Crowley. His success in this task has profoundly influenced occult thought. Today Regardie's work is being preserved and perpetuated by New Falcon Publications and the Israel Regardie Foundation.

How to Make and Use Talismans (Small Gems Series)

Israel Regardie

A talisman is an object that has been magically endowed with the power of attracting good fortune. With a properly charged talisman comes a link with the hidden forces that rule over the things -- a bridge with the unseen world, across which occult influence flow to protect and heal the owner. The making, inscribing and charging of talismans are described in full in this introductory manual, written by a pre-eminent modern occultist, enabling you to use talismanic magic to make contact with the supreme powers of the cosmos, and with the highest levels of your own being.

The Art and Meaning of Magic (Small Gems Series)

Israel Regardie

A bird's eye view of the whole field of magic, covering divination, evocation, invocation, vision and initiation. Some of the practical tips on what used to be called Scrying in the Spirit Vision cannot be found elsewhere even in large and rarer texts, and the method of Tattva cards and the Qabalah are given with examples of results achieved. There are interesting explanations of the magical art in the light of Jungian psychology. Complete with full page plates of Tatvas for the serious reader/student to experiment with.

PB 9781561845552 £18.99 November 2018 New Falcon Publications 108 pages

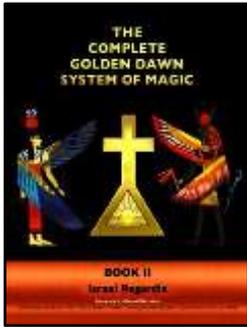

The Complete Golden Dawn System of Magic Book I

Israel Regardie

Regardie's resonance with the Golden Dawn derived in part from the intuitive knowledge that he demonstrated in his 1932 book, The Tree of Life. With the sponsorship of Dion Fortune, he joined the Stella Matutina in 1933 but became disillusioned with its egotistical leadership and departed less than two years later after attaining the grade of Adeptus Minor. Three years later he published his landmark collection The Golden Dawn, making the "secret" rites and teachings of the on-again, off-again Order available to a wider public for the first time. Several years later, Regardie and Crowley parted company after an acrimonious public clash of personalities. Regardie returned to the United States and studied chiropractic medicine in New York. He served in the Army during World War II, and afterward moved to Los Angeles to open a chiropractic clinic and also work as a Reichian therapist. He had studied psychology and psychiatry with several notable teachers and was a strong proponent of Jungian analysis all his life, as well as the more controversial work of Wilhelm Reich. Both writers are known among the 20th century's most controversial psychological theorists, whose writings straddled the border between science, religion and myth, and incorporated a strong element of sexuality. It is easy to see how this emphasis blended well with Regardie's magical and esoteric studies.

HB 9781561845705 £190.00 November 2019 New Falcon Publications 624 pages

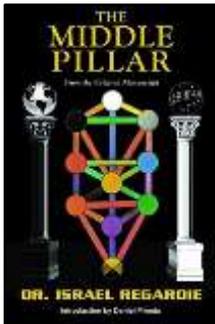

The Complete Golden Dawn System of Magic

Book II

Israel Regardie

Regardie's resonance with the Golden Dawn derived in part from the intuitive knowledge that he demonstrated in his 1932 book, *The Tree of Life*. With the sponsorship of Dion Fortune, he joined the Stella Matutina in 1933 but quickly became disillusioned with its egotistical leadership and departed less than two years later after attaining the grade of Adeptus Minor. Three years after that, he published his landmark collection *The Golden Dawn*, making the "secret" rites and teachings of the on-again, off-again Order available to a wider public for the first time, and making possible today's resurgence of interest in the Order.

HB 9781561845712 £190.99 November 2019 New Falcon Publications 696 pages

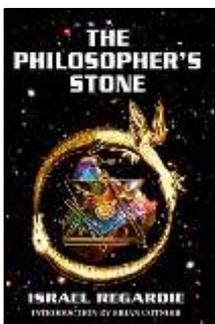

The Middle Pillar

Israel Regardie

The classic book on working with the energy of the body for spiritual purposes, *The Middle Pillar* by Israel Regardie, is now more complete, more modern, more usable, and better than ever. The exercise known as the Middle Pillar was devised by the Hermetic Order of the Golden Dawn. Regardie expanded upon it and made it public over 60 years ago in the first edition of this book. Since that time, the exercise has been altered and adapted for just about any spiritual use you could think of. It is a mainstay of many Western traditions of magic. *THE MIDDLE PILLAR A Co-Relation of the Principles of Analytical Psychology and the Elementary Techniques of Magic* The exercise known as the Middle Pillar was devised by the Hermetic Order of the Golden Dawn. Regardie expanded upon it and made it public over 60 years ago in the first edition of this book. Since that time, the exercise has been altered and adapted for just about any spiritual use you could think of. It is a mainstay of many Western traditions of magic. The exercise is intended as a technique to break the barrier between the conscious and unconscious. This classic work provides an introduction to magic and occultism while providing directions as to how to perform the Qabalistic Cross, the Lesser Banishing Ritual of the Pentagram and the Middle Pillar exercise. It remains a classic book in the field. Dr. Israel Regardie authored nearly a dozen original books including such substantial works as *A Garden of Pomegranates*, *The Tree of Life*, *The Philosopher's Stone* and *The Middle Pillar* all of which were first issued in the 1930s. He worked to make the Golden Dawn system available and understandable to a new generation with new revised editions of *The Golden Dawn* and original works drawing upon the system in the 1960s, 70s and 80s. His transmission of the Golden Dawn system went beyond just communication of information about the system, he also acted as ritual initiator permitting others the reactivation of the Order.

PB 9781561845514 £28.99 May 2019 New Falcon Publications 200 pages

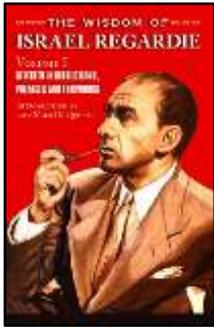

The Philosopher's Stone

Israel Regardie, Brian Cotnoir

This book presents text and analysis of three major alchemical works, approached symbolically, using the symbol systems and viewpoints of magic and psychology. The objective of alchemical study has been described poignantly by Dr Israel Regardie. Like modern psychological methods, the alchemical formulae have as their goal the creation of a whole man, a fully integrated individual. Not only does alchemy envisage a person whose several constituents of consciousness are united, but with the characteristic thoroughness of all occult and magical methods, it proceeds a stage further. Alchemy aspires toward the development of a free and illuminated psyche. It is here that it parts company with orthodox psychology, and here that Dr Regardie's insights shine. The clarity and elegance of the author's style, and the precision and depth of his thought, make this an important and meaningful experience for every person who aspires to personal development and wholeness.

PB 9781561845491 £28.99 January 2019 New Falcon Publications 248 pages

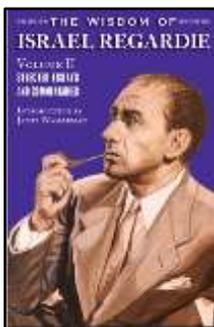

The Wisdom of Israel Regardie

Israel Regardie, Delfina Marquez-Noe, Lon Milo Duquette Edited by William S Hyatt

The Wisdom of Israel Regardie, Volume I, is filled with the rich wisdom and deep knowledge of the world famous occultist who was the personal secretary to Aleister Crowley for four years. This book contains the best of Regardie's introductions to his and other author's books spanning the decades of his career. This never before published compilation allows the reader to gain breadth and depth into many of Regardie's writings, thoughts and philosophies. Israel Regardie (1907-1985) is a crucial figure in the development of modern occultism. At the age of 21 he travelled to Europe to work as Crowley's secretary, a period he writes about in his perceptive and sympathetic biography of the Beast, *The Eye in the Triangle*. This work describes their dramatic falling out which culminated in Crowley writing anonymously to every one whom Regardie knew or might come into contact with alleging all manner of extreme personal faults. Regardie's commitment to magick and spiritual advancement continued unabated. He joined the Stella Matutina, a continuation of the Golden Dawn. As the operations of this group faltered Regardie came into possession of the Order's papers. Starting in 1937, Regardie published them so that the system would be preserved forever. Regardie authored nearly a dozen original books including such substantial works as *A Garden of Pomegranates*, *The Tree of Life*, *The Philosopher's Stone* and *The Middle Pillar* all of which were first issued in the 1930s.

The Wisdom of Israel Regardie

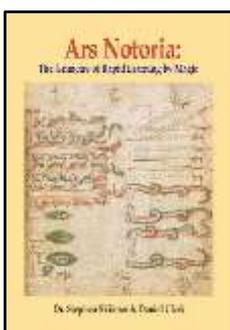

Volume II -- Selected Essays and Commentaries

Israel Regardie

The most important thoughts of Israel Regardie lie within the pages of this book. This unique compilation of essays and commentaries span his early career right up to his passing thru the veil. Every student and master will find this Volume both valuable and fascinating. Israel Regardie was a fascinating figure and larger than life philosopher, capable of kindness and humor while defending truth and justice. His writings capture his capacity for both intellectual rigour and a refreshing sensitive insightfulness. This is the very best of Regardie, an instant classic, and a must read for the esoteric student.

Ars Notoria -- The Grimoire of Rapid Learning by Magic, with the Golden Flowers of Apollonius of Tyana

Stephen Skinner, Daniel Clark

The Ars Notoria, or Notory Art, is a Mediaeval grimoire designed to assist monks (or anyone) to learn whole subjects in as short a time as a month through the intervention of angels. It also has procedures for vastly improving memory and understanding, such that a single reading of a complex text will enable the matter to be absorbed and understood. The procedure consisted of short prayers followed by orations or invocations made up of lists of the secret names of angels (some say demons) who will assist the aspirant in these feats of memory. These are read or chanted whilst the aspirant looks at a "nota," a complex design which encapsulates the essence of the desired subject. These nota are unlike the seals or sigils of any other grimoire, and were drawn with exquisite attention to detail. The oldest manuscript of the Ars Notoria dates from 1225. Despite the passage of almost 800 years, the Ars Notoria has never been published before with both its text and all its notae (plural of nota) complete. This first complete edition also has four other full-colour complete sets of notae from the three following centuries. The commentary explains where the Ars Notoria fits into the history of magic, charts the development of the notae, and the lives of some of the magicians who were associated with it.

Black Jack **The Dawning of the New Great Age of Satan**

S.K. Bain

If you thought that 2012 was the end of Galactic Alignment, think again. However, this book doesn't propose some new date for the made-up Mayan Doomsday, far from it. We are on the cusp of a once-in-a-26,000-year event. Do not think for one moment that the masters of our world will let it pass unmarked. Black Jack reveals the true date of the End of the Great Age, the Mother of All Auspicious Occasions, a date that the Cryptocracy has been fixated on - and feverishly preparing for - over the past two centuries, and well before. It will almost assuredly bring a ritualistic celebration like none other ever witnessed, involving mass human sacrifice and the biggest fireworks show in history. The world approaches the dawning of a new Grand Cycle, which the elite will inaugurate as the New Great Age of Satan. As we draw near, ask yourself this question: if you were among the ranks of these precious few ultra-powerful, would you spare any expense or effort to properly commemorate this unique occasion, or to fittingly dedicate it to your Dark Lord? Of course you wouldn't. And, as a member of the Cryptocracy, you would be so bold and fearless as to announce your intentions to the entire world, far in advance. You would provide all the useless eaters with the obligatory fair warning, mockingly giving notice in plain sight in the most powerful city in the world. You would encode The End of the Old World Order in the streets of Washington, D.C., which, as is revealed in these pages, is nothing less than a Gigantic Black Magickal Spellcasting Machine. Furthermore, you would embed the "date of demise" in the modern calendar, as plain as day for those with eyes to see. You would orchestrate a string of foreshadowing, preparatory lesser false-flag attacks / mass rituals in the decades leading up to the grand occasion, rituals involving, for instance, consecrated sacrificial vessels such as - as was the case on 9/11 - commercial airliners filled with dozens of innocent victims. Your elite family is among those who have instigated world wars and induced global famines. You think nothing of the use of false-flag terrorism to achieve your goals and objectives - even nuclear false-flag terrorism. One doesn't have to be a religious fundamentalist to sense it, or see it all around us - the Satanification of the World. Practically every public event is now a thinly-veiled, if at all, Satanic ritual. We are being driven hard towards something in the near future, something whose hideous form becomes clearer by the day. All the while, the grip of the global dark-occult technofascist dictatorship grows ever tighter. Preparations have been underway for a very long time, even from the Founding of America, and the hour grows late. With bated breath, the entire planet, knowingly or unknowingly, awaits the arrival of Black Jack.

Hathor's Alchemy **The Ancient Egyptian Roots of the Hermetic Art**

Alison M Roberts

When alchemy emerged in Roman Egypt, early adepts knew the wisdom came from the Egyptian temples. Yet these deep roots in ancient Egypt have remained obscure. Journeying through the beautiful temples at Abu Simbel and Dendara, dedicated to the love goddess Hathor, and delving into the Osirian mysteries enshrined in Ramesses VI's tomb at Thebes, Hathor's Alchemy unearths this transformational lost knowledge. Greek, Islamic and medieval European alchemists all drew on its 'wisdom of the queen'. Explored, too, is alchemy's profound influence in Sufism. Richly illustrated in colour, this groundbreaking book reunites ancient Egypt and alchemy within the western Hermetic tradition.

About the Author: Dr Alison M Roberts studied ancient Egyptian and Akkadian at Oxford University, where she received her doctorate in 1984. Since then she has written and lectured on ancient Egypt, and Hathor's Alchemy completes her quartet of books on Hathor, the Feminine, and ancient Egyptian transformational wisdom.

PB 9780952423331 £27.50 January 2019 Northgate Publishers 336 pages 177 colour illus.

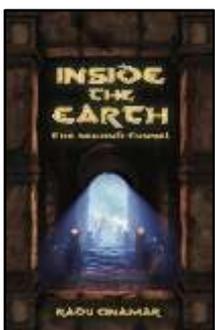

Hine's Varieties **Chaos & Beyond**

Phil Hine, David Southwell

From world famous occultist Phil Hine comes this amazing collection of esoteric essays. Divided thematically into sections -- Chaos Magic, Tantra, Sexualities, Practice, Paganisms, Histories, and Fiction -- each section is prefaced by new autobiographical writings in which the author reflects on the early beginnings of his magical path, and how his perspectives have changed over time. With content ranging from explorations of esoteric practice, magical sexuality and independent scholarship, Hine's Varieties offers a unique window into the life and spiritual journey of a master magician.

About the Author: Phil Hine is a former editor of the magazines Chaos International and Pagan News and the author of Condensed Chaos; Prime Chaos and The Pseudonomicon. He has facilitated workshops and seminars in America and Europe and lectures on a wide variety of occult and related subjects. He lives in London, England.

Inside the Earth **The Second Tunnel**

Radu Cinamar Edited by Peter Moon

In this exhilarating description of mysteries inside the Earth, Radu Cinamar presents a unique way to penetrate the Inner Earth through the process of feeling and the effects that will develop from such an experience. To enhance the reader's understanding of this very guarded subject, this book includes multiple illustrations that include depictions of Inner Earth geography. Familiar characters from the Transylvania Series also reappear, including the enigmatic Tibetan lama, Repa Sundhi, also known as Dr Xien, who states: If someone had a device or machine that could start up and go everywhere they want, especially towards the centre of the Earth, the machine would be blocked and stop at a certain point because of the frequency of vibration to be found there. Just how far you can go with such a machine can be limited by reason of your own consciousness which can in and of itself restrict the dimensional range of such a device or the extent to which it can penetrate other realms. This applies to both human beings as well as material objects. Your ability to access such a region is determined by what your own individual frequency of consciousness can or will allow you to experience. This is not only the story of an exciting adventure, it is an opportunity for initiation as you explore the frequencies of your own inner nature.

Khemetic Chess / Hypermodern Magick

Steve Nicholls

Khemetic Chess (aka Hypermodern Magick) is a stand-alone book that outlines my theory of magick, and sheds light on 'active divinatory' Enochian Chess. Exploring the 64 (8x8) paradigm, it looks at both historical and recent Enochian Chess variants. Aleister Crowley features prominently and I look at strong Khemetic strands in Thelema such as the Crowning of Horus. It also encompasses Tantra, and Tsakli pieces (moveable shrines) for No Self Enochian Chess. This book explains how 88 Ptolemaic emblemata gave birth to familiar Christianised tarot designs. These 88 divide into four groups of 22 Atous, and these combine with the Minor Arcana of the Four Winds, 56 divination cards for each of the 4 Elements or Chessboards. I trace some Khemetic influences on Tibetan Bonpo and Hinduism. Essential components and structure from Kabbalah also seem to begin with the Khemetic game of Zenet, and the Hymn to the Ten Bau of Amen-Ra rather than with such texts as Sepher Yetzirah and Zohar of the Late Medieval Period. Hypermodern Magick explains, continues and augments innovations that began with the literary modernist and psychological experimenter, WB Yeats and continued with political surrealist, Ithell Colquhoun, and Don Kraig (Modern Magick).

About the Author: Steve Nichols' fully featured Windows Enochian Chess software for one to four players can be downloaded by using the coupon code instructions inside together with evidence of purchase. The PC software makes this advanced and complex game immediately playable. Steve Nichols was the first to publish Enochian Chess sets in 1982 with support from Israel Regardie and others.

The Healthy Witch

A Workbook for Optimal Health

T J Perkins

As within + so without = a healthy witch. But getting there takes the right magikal work. This holistic witchy workbook combines medical knowledge with magikal healing to put you where you need to be to get the most out of your life. Learn to personalise your healing needs by fusing skills in magik and nutrition, conducting rituals, and employing specialised spells. Using the pentagram model, take a healing journey through each organ in your body, allowing you to gain optimal health via signs, suggestions, and practical tips. Examine each element and discover how your organs interact and affect your magikal energy flow. The tools here will guide you to becoming a naturally healthy witch, enabling you to work with the Goddess from a place of sacred well-being. A healthy witch is a successful witch!

The Invisible Master

Secret Chiefs, Unknown Superiors, and the Puppet Masters Who Pull the Strings of Occult Power from the Alien World

Leo Lyon Zagami Edited by Brad Olsen

Leo Zagami's groundbreaking study of aliens and UFOs explores where we come from and which mysterious figures have guided humanity's political and religious choices. From the prophets to the initiates and magicians, all ages have drawn from a common source of ultra-terrestrial and magical knowledge, passed down for millennia. This text reveals the identity of the unknown superiors, secret chiefs, and invisible masters who have guided Freemasonry, the Illuminati, and others. Zagami speaks of the existence of multidimensional doors used by the various Illuminati to let other beings into our world, while alluding to the latest discoveries of quantum physics for support. This shocking text will be embraced by those willing to look beyond the everyday to analyze our world's most puzzling circumstances.

Upperworld Shamanism and Magick of the Celestial Realms

Chris Allaun

The stars glow with their own special magick in the night time sky. For millions of years, the stars sent their light down to the earth. The same stars and planets we see today are the same bodies of light that ancient shamans saw around their camp fires. Countless generations looked into the night sky and wondered about the magick above. It was the shamans who traveled in spirit to the Upperworlds to discover the secrets of the Universe. There are many ancient beings in the above worlds that can help us learn about the energies of the Universe and transform our lives for healing, power, and spiritual evolution. As we journey into the Upperworlds, we will learn about the creation of the Universe and the energies that were formed from the first burst of energy and light. Shamans saw that these energies formed into powerful beings. Some called these beings angels, others called them ascended masters. Each of these beings has a divine purpose in the Universe and we will unravel these mysteries. We will learn to spirit travel into the many heavens from many different cultures. We will visit the heavens that were told to us in myths, as well as discover hidden parts of the Universe that await our arrival. We will also learn about the gods and goddess and how to honor them in our daily magical practice. The gods are powerful and they can grant us many blessings. Through our magical practice with the night sky, we will use the magick of the stars and planets to transform our lives.

The Apophenion A Chaos Magic Paradigm

Peter J Carroll

Apophenion attacks most of the great questions of being, freewill, consciousness, meaning, the nature of mind, and humanity's place in the cosmos, from a magical perspective. Some of the conclusions seem to challenge many of the deeply held assumptions that our culture has taught us, so brace yourself for the paradigm crash and look for the jewels revealed in the wreckage. This book contains something to offend everyone; enough science to upset the magicians, enough magic to upset the scientists, and enough blasphemy to upset most transcendentalists.

Magical Knowledge Book I -- Foundations

Josephine McCarthy

This is the first in a series of three that takes the reader through the bends and twists of serious magical study. This book tackles some of the more pressing issues surrounding the early quest for knowledge from the world of magic, along with techniques, exercises and warnings for those ready to dip their toe in the scalding hot water of power. Using her usual no nonsense down to earth approach, McCarthy outlines in depth some of the rarely tackled issues and problems that face a serious modern magician, offering advice and reflections based on 30 years of practical work. The book follows no specific magical path; rather it takes the reader to the layers of consciousness beneath such paths and shows us the various techniques, powers and dynamics that underpin most Western Mystery schools and lodges. The reader is shown how ritual actually works, what an inner contact actually is, how to make visions work, how to turn an object into a magically charged implement, how to read Tarot, how to clean and protect yourself, and most importantly of all, how to spot the bullshit.

Magical Knowledge **Book II -- The Initiate**

Josephine McCarthy

Breaking out of the age old restraints of secrecy & oaths, this book leads the reader through the techniques, issues and beings that the Initiate can expect to encounter. This second book in a series of three, guides and advises, informs and introduces the serious magician to rarely discussed areas of visionary and ritual magic. The information presented in this book flows from the deep roots of true magic, and as such can be applied to any particular path or magical method; the reader is introduced to the structure and inner contacts behind the various schools of magic that exist today. Magic can only truly blossom if the boundaries are challenged, and to do that, the magician needs to understand the dynamics of power and the inner worlds. This book aims to guide the magician along that path.

Magic of the Northgate

Josephine McCarthy

This book offers a focussed look at magic that involves the body, the land, the living and the dead. Written for magicians/occultists, pagans, priests and priestesses, this book looks in depth at the techniques, contacts, methods and ritual actions that can be undertaken when approaching Earth Magic. Working with land spirits and faery beings, building shrines, living in a magical home, working with the magical elements, connecting with ancient deities, working with ancestral burials, understanding and living with resident ghosts, weaving power, plus learning how to connect and work with storms, are just some of the mysteries contained within the North Gate.

Aleister Crowley's Illustrated Goetia

Aleister Crowley, Lon Milo DuQuette, Christopher S Hyatt

Goetia [refers to] all the operations of that Magick which deals with gross, malignant or unenlightened forces. Goetia is sometimes thought of as a wild card, something that can get out of control, something which expresses the operator's lower desires to control others and improve his own personal life. And, in fact, this potential loss of control, this danger, the desire for self improvement and great power is exactly what attracts many people to Goetia while horrifying and repelling others. Crowley's Goetia is brought to life with vivid illustrations of the demons. Commentary by DuQuette and Hyatt bring the ancient arts into the modern day.

Cannabis, Magickal Herbs and the Occult

Chris Bennett

Although little known, cannabis and other psychoactive plants held a prominent and important role in the Occult arts of Alchemy and Magic, as well as being used in ritual initiations of certain secret societies. Cannabis played a pivotal role in spagyric alchemy, and also played a pivotal role in medieval and renaissance magic and recipes with instructions for its use appear in a number of influential and important grimoires. With detailed historical references, the author explores the allegations the Templars were influenced by the hashish ingesting Assassins of medieval Islam, and that myths of the Grail are derived from the Persian traditions around the sacred beverage known as haoma, which was a preparation of cannabis, opium and other drugs. Many of the works discussed, have never been translated into English. The unparalleled research in this volume makes it a potential perennial classic on the subjects of both medieval and renaissance history of cannabis, as well as the role of plants in the magical and occult traditions.

The Magical Treatise of Solomon or Hygromanteia The True Ancestor of the Key of Solomon

Ioannis Marathankis

This is the true ancestor of the famous grimoire the Key of Solomon. The book includes translations of 12 different manuscripts of the Hygromanteia. This book is sometimes called the Hygromanteia. Throughout history thousands of people have been fascinated by the grimoire the Key of Solomon. This is the original Greek book of magic that was the source of the Key of Solomon, and in turn the ancestor of most of the grimoire-based ceremonial magic practiced in Europe and the US from the 15th century to the present day. This is a ground-breaking work. For the first time (outside of a handful of pages in academic works) the full Greek original of the Key of Solomon appears in English. Contrary to popular opinion the Key of Solomon was not translated from a Hebrew original. During the gradual decline and fall of the Byzantine Empire, this precious text, along with many others, was taken from Constantinople to Italy probably around 1453 where it was translated into Latin and Italian. Abridged Latin copies entitled the Clavicula Salomonis circulated in Europe, going through many changes, languages and versions to become the Key of Solomon as we know it (some of those manuscripts are published as Volume IV of the present series). Now for the first time you can read the whole text (large slabs of which were left out of the Latin translations) arranged clearly in the order in which it was meant to be read.
